INVITE FAMILY FRIENDS, ETC. TO CHURCH

Nearly 25% of Americans say they’ve never attended church, and when you add that to those who used to go and just don’t any more, it means that 43% of the population is missing out on the hope Jesus brings and the friendship that comes from a church family. Do you have friends and family members who haven’t been to church in a while...or maybe they’ve never come to church? Invite your friends, family, neighbors, and coworkers to our morning 10:00am worship service.
